Pedal of honor >>>

FRI., MAY 16. It's the third Friday in May so get your wheels going and don't forget your helmet. Newport's 4th annual Bike To Work Day rolls along with events taking place across the United States and Canada that promote healthier environmental practices. Pedal on over to Washington Square for a 6-9 a.m. breakfast sponsored by Jonathan's Cafe, the A Market, and Teas and Java Cafe. At 4:15 p.m. there is a city loop group ride, ending back in Washington Square with refreshments and entertainment. If you plan on commuting via bicycle, register and take a survey at Bike Newport's website to help provide data needed to demonstrate a need for safer cycling infrastructure.
