Hundreds of cyclists will participate in third annual [Elliot Kaminitz Father's Day Ride](#) along Newport County's scenic coastline on June 21, 2015.

With a range of distances from 6, 10 and 25 miles, riders of all levels are invited to participate.

All three ride options start and finish inside Fort Adams State Park. Following the ride, food and beverages will be available for participants.

Bike Newport, organizer of the annual event, is engaging young cyclists with a Kids "Tour de Fort", an activity area inside the walls of Fort Adams State Park, which will provide a fun and safe environment for kids and parents to participate.

Riders can register online [here](#).

Proceeds from this event support Bike Newport's bicycle safety programs.
