

Bike Newport Dreams Big

2021 Annual Report

As more and more people express interest and enthusiasm about elevating health, environment, and economy in our transportation choices, we are seeing real progress. In fact, we are experiencing the realities that happen when we believe in our dreams, and we work to make them real.

Here are just a few of Bike Newport's 2021 bike-happy highlights:

- 500+ bikes restored and distributed since the pandemic started.
- 5 weeks of free Summer Bike Camp including 1 week for LGBTQ+ youth and 1 week for girls (gender expansive).

Girls ride during Gretchen's Blooms bike camp!

Bike camp is a blast!

- The awesome half-acre "Pump Track" is up and running at our Big Blue Bike Barn on Sunset Blvd.

Fun on the Pump Track at the Big Blue Barn and trails in Miantonomi Park

Miantonomi trails

- English/Spanish bicycle Rules of the Road distributed digitally and in print.
- Adaptive bikes for children and adults with balance challenges to participate with their peers in all of our programs.
- Our new Annex location for bike repairs and rentals - helping meet the need left by local bike shops closing.
- Bike sharrows on the Ocean Loop, a separated bike path on Connell Highway, a bike-safe roundabout off of the Pell Bridge, and many more infrastructure improvements in the works.

THE LEAGUE
OF AMERICAN BICYCLISTS
since 1880

In March of 2021, we were excited to learn that Bike Newport had been awarded the Advocacy Organization of the Year Award for 2020 from The League of American Bicyclists! This award goes to a bicycling and/or walking advocacy organization who, in the past year, made significant progress. Their leaders have worked tirelessly to grow and strengthen their organization and fulfill their mission. The proof of their efforts is in the growth of their capacity, programs, membership and the victories they have achieved for biking and walking in their state/community.

Folks enjoy the beautiful new bike path on Connell Highway
